

# 40 Days of Prayer and Fasting

Great things happen when people earnestly seek God. Look at the Bible's examples. Moses communed alone with God on Mount Sinai for forty days and received the Ten Commandments... Daniel came to of the lion's den with his life as a result of prayer and fasting... a widow named Anna spent her life in the Temple praying and fasting and was one of the first to recognize the Messiah... Jesus conquered temptations in the wilderness and set the course for His earthly ministry during forty days of prayer and fasting... Cornelius sought salvation with prayer and fasting and became the first Gentile convert to Christianity.

Since 40 days is such a significant period of time the the Bible, we too are using the next 40 days as a time of focus, prayer, and preparation for our church planting mission in Serrano, Maranhao, Brazil. Please accept this as your personal invitation to join God on mission.
